YELLOW PLASTIC CHAIN 40M ROLL

- 40 Metre roll
- Suitable for internal or external cordoning
- Easily attached to walls and posts for permanent applications
- UV Stabilised

The Enforcer Group Yellow Plastic Chain 40m Roll is robust, yet lightweight. It is the epitome of versatile safety and asset protection. It weighs just 2.5kg and is 6mm wide. It's a top choice for workplace safety in Australia.

It is crafted to excel at crowd control, traffic management, and safety. This product is key for creating a safe workplace. It is made of high-grade plastic. It withstands Australia's tough weather. This ensures that it lasts and performs well. The chain is bright yellow. This colour enhances visibility, which is crucial for worker safety in low-light conditions. It also adds to a safer environment.

This chain is great for ensuring a safe and organized setting. It's an essential tool for safety. It's used in busy places like airports and construction sites to keep order.
