# CAUTION

## CAUTION BLACK ON YELLOW BARRIER TAPE 100MX75MM

- Made from tough polyethylene
- High visible yellow

The Caution barrier tape is made from tough polyethylene. It ensures durability and resilience. Designed to withstand Australian weather, it provides reliable performance over time. The tape's 100-metre length offers substantial coverage, making it an economical option for large projects.

It comes in boxes of 20 rolls. They ensure you're well-stocked for any situation. This underlines its role as a vital asset protection tool.

The Caution Black on Yellow Barrier Tape is a key safety supply for many sectors. These include construction, government, businesses, and schools. It is versatile. It is used for crowd control and stopping unauthorized access. It is crucial for workplace health and safety. The tape is easy to use. It's also easy to install. It ensures a clean and efficient setup and removal.
