CABLE PROTECTOR 5 CHANNEL SPEED HUMP

- Manufactured from new and recycled rubber
- Designed to be strong and durable with low noises
- Great for indoor or outdoor use
- Easy placement and removal of cables/hose lines with open-top style
- Interlocking modules, no fixings required
- Safety high-visibility yellow cover

Enforcer Cable Protectors are environmentally friendly manufactured from new and recycled rubber. Cable protectors are made to protect cables or leads and eliminate the risk of trips and falls from loose cabling.

Designed to be strong and durable they don't crack or shrink. The sections interlock and multiple units can be connected for required length. Recommended for temporary applications, light-duty vehicle or pedestrian traffic. Suited for both indoor and outdoor use, for offices, work sites, warehouses, garages, exhibitions, etc
