U-BAR DOUBLE HAND RAIL - YELLOW - 2 METRE

- Powder coated finish
- Lightweight easy to install by one person
- Designed in Australia for Australian conditions
- Installation Service is available

The U-Bar Hand Rail Yellow 2 Metre is the perfect solution for providing sturdy support and safety for any environment.

It is designed with a 48mm diameter, 3mm wall thickness, ensuring a robust and durable construction. It stands at a height of 1040mm and spans a length of 2000mm, making it a versatile option for a variety of spaces.

Crafted from high-quality materials, it has a yellow powder-coated finish that not only adds an aesthetic appeal but also provides resistance against corrosion. The handrail also comes equipped with a base plate measuring 150mm x 75mm x 10mm thick, and 14mm fixing holes for easy and secure installation.
