PARKING MAT STOP - YELLOW

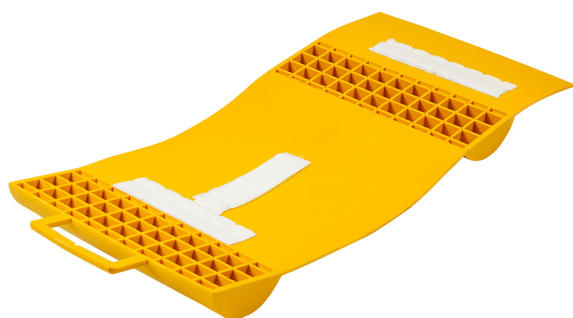

- High visible yellow
- Light weight and easy to handle
- Ideal for use in garages, driveways, or parking lots
- Designed in Australia for Australian conditions

The Parking Mat Stop in vibrant yellow colour is designed to make parking hassle-free and safe.

Measuring 640mm in length, 40mm in height, and 305mm in width, and weighing only 1.4kg, it is lightweight and easy to handle.

Made of durable and long-lasting materials, this Parking Mat Stop is ideal for use in garages, driveways, or parking lots.

Its anti-slip design keeps it firmly in place, and the bright yellow colour ensures high visibility in all light conditions, making it easy to park accurately and safely.
